

Linda McCulloch
MONTANA SECRETARY OF STATE

Write to Your Elected Official

Date: _____

Dear _____

Sincerely, _____

Writing letters to your elected officials is a great way to stay engaged with what's happening in your government. Your leaders want to hear from you!

Write a letter about what's important to you and your community. If you can't think of an idea, write about creating a community garden, building better roads through your town, or opening more community centers!
